# Support

## Our Support

### Financial

We receive financial support from individuals, churches, schools, and businesses.

### Partnerships

We have partnerships with ADRA Canada, College Park Adventist Church, Feed the Need in Durham, and St. Vincent's Kitchen in Oshawa.

### Food Supply

Our main supplier is Feed the Need in Durham which donates various food items each week. The needy in our community have benefited from ADRA Canada annual grant for food purchases. Food drives by churches and schools also make a significant contribution to our food supply.

### Volunteers

None of our services would be possible without the selfless involvement of our volunteers who donate more than 750 hours per month.
